SUMMARY

Student at Gautam Buddha University pursuing Computer Science with Artificial Intelligence Specialization. Being an enthusiastic learner with a new blooming interest in the field of coding, I've grasped a grip on programming languages such as C and Python along with front-end languages HTML and CSS!

I am also a certified Content Writer and have written blogs for clients and firms. I've written blogs for customer service providers, Ed-Tech, and Universities.

EDUCATION

Delhi Public School, Chas — High school

2020-2021

Gautam Buddha University, Greater Noida — B-Tech

2023-2027

PROJECT

Website Portfolio

Designed a portfolio website in which I used HTML, to structure the site, CSS to make aesthetics, and JavaScript to add interactive features.
